Introduction

MY VISION for Duluth includes Dedicating Your tax Dollars to the Enrichment of Every Citizen's Life and the Elimination of any/all future taxation.

BY Utilizing My Life Long Experiences with Contracting and General Construction, Personally Overseeing the Improvement of Street Maintenance throughout the Year by Implementing Better Procedures and Self Sustaining Policies Will salvage the Wasting of Your tax dollars spent on annual Street repairs.

Funds Rescued will be directed to Accumulating an Annual Surplus Budget which will provide for Emergency Needs and Weather Related Catastrophic Events Affecting Our City.

Assets Conserved will go toward Increasing the Number of Law Enforcement Personnel to Combat Crime in Our Communities and Neighborhoods and MAKE DULUTH an UNNATtractive CORRIDOR to Lawbreaking of any Sort.

With Improved Maintenance Practices and Self Sustaining Approaches to Management Policies, Our Golf Courses TOO can begin Operating at a Profit. Profits which Can and Will be Reinvested into each course.

These Golf Courses are and have been the Jewels of our City. They have been proudly Invested in By the Citizens of the Past and Present, And Now, These Beautiful Venues represent an Investment which Requires Preservation to Honor Those who have Sacrificed and Contributed to their existence.

If YOU Share This Vision for the Inception of the New Decade, Your Support is CRUCIAL in Making this Vision a REALITY.

Should your support prove successful, You can look upon family, friends, and passers-by enjoying these fruitions with the Confidence of Knowing YOU
